

Do YOU want to **LIVE FREE** from Big Brother Control?

Order your "Bye Bye Big Brother" reference manuals today!

"Bye Bye Big Brother" three-volume, several hundred pages reference manuals collection is the most comprehensive strategy for becoming personally and financially free – and having a lot of fun on the way – that we've seen for several years. Even the old master, Bill Hill himself, couldn't put it down.

There's far too much material on the subject to include in the three volumes BBBB manuals. That is why you as our book-buyer get access to a special members-only website, where more of the relevant material is available free.

With BBBB we also supply (among many other things) free name change forms, offshore bearer share incorporation forms, foreign passport applications forms, and much more.

100% RISK-FREE MONEY-BACK GUARANTEE

There's a 100% money back guarantee on all books that are returned to us in mint condition within 30 days of being received. We're confident that you will not find better personal and financial advice in any other publication – or your money back. All you can possibly lose is the cost of postage for sending the books back.

SPECIAL PUBLISHER OFFER

We've done a deal with the BBBB manuals publisher whereby we can get the first fifty sets of these manuals at a discounted rate. The normal price for these manuals is U.S. \$650 / £375 / €525 / Aus\$900.

But with this **Special Publisher Offer** the prices are: U.S. \$550 / £300 / €425 / Aus\$720. So act fast now, to avoid paying higher prices later. All prices include delivery.
